LOK SABHA

UNSTARRED QUESTION NO:1926
ANSWERED ON:14.03.2017
Promoting Chemical Industries
Rathore Shri Hariom Singh

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) the number of chemical industries in the country, State-wise including Rajasthan;
(b) the amount of financial assistance provided to the said companies during each of the last three years and the current year;
(c) the financial status of the said companies; and
(d) the working conditions prevalent therein?

Answer

ANSWER
MINISTER OF STATE OF CHEMICALS AND FERTILIZERS, SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI MANSUKH L. MANDAVIYA)
(a) to (d) The chemical sector is almost de-licensed except few hazardous chemicals. The chemical sector is also de-regulated. The units in small, medium and large scale sectors are being set up by entrepreneurs in the private sector based on techno economic feasibility after getting relevant environmental clearances from concerned State/ Central Pollution Control Boards. The Department of Chemicals & Petrochemicals collects production data of selected Chemical & Petrochemical Units under large and medium scale only. The number of chemical industries under large and medium scale of selected major chemicals monitored by Department of Chemicals & Petrochemicals in the country is 155. The detailed state wise list of chemical industries is annexed at Annexure-I. The Department has not provided any financial assistant to the said companies.
